A Salute to the History of Edmonton Preceptory 46 K. 7.

One Hundred and Ninety years ago (1765) Knights Templar history commenced in Canada.

Edmonton Preceptory No. 46 Knights Templar was Instituted on October 26th, 1905 and fifty years of its history was completed on October 26th, 1955.

Our Preceptory came into being at a very auspicious time in our Provincial history and very shortly after the founding and establishing of Alberta as a Province (September 1st, 1905)—a time when high hopes were held by doughty and courageous souls, whose foresight, stability, and enthusiasms, as well as accomplishments, have been extolled on many occasions, and from many platforms in this Province during recent weeks of Golden Jubilee Celebrations when inspiring scenes have been re-enacted and related by word as well as drama.

For the Fratres of Edmonton Preceptory No. 46 Knights Templar we, too, have much cause to be joyful and thankful as we mark our own Golden Jubilee for we travel back on the magic carpet of memory to the start of our existence which was also brought about by the faith, tenacity, enthusiasm and loyalty of those pioneer Knights who projecting themselves into the future anticipated for us great things.

Each Summer in the late afternoon numerous people climb Sulphur Mountain in Banff in order to reach a high vantage point from which they may experience the thrill of seeing the sun rise early the following morning. During the formative and early years of Edmonton Preceptory No. 46 many of the stalwart Fratres scaled the mountains of difficulties, disappointments, problems and challenges confident in the belief that to those of a future day there would come prosperous times and enthusiastic zeal which our Preceptory has had in large measures during modern times. One of the philosophers has said that "EVERY GREAT INSTITUTION IS BUT THE LENGTHENED SHADOW OF SOME GREAT INDIVIDUAL OR INDIVIDUALS". We today bask in the reflected devotion of those Fratres whose hard work and persistent planning beams upon us now and to their memory we would bow in PROUD AND APPRECIATIVE tribute.

Humbly and gratefully do we recount and record some interesting and inspiring thoughts concerning our history.

Our present Chaplain, V. Em. Kt. Walter Hill, has, with exactness and much dignity, carried out the duties of his revered office since 1943.

TREASURER:

Our first Treasurer was Sir Kt. H. C. Taylor—a Judge and later Chief Judge, of the District Courts of Northern Alberta. His duties as Treasurer of our Preceptory were carried out in an acceptable and praiseworthy manner. In 1907 he was Grand Master of the Grand Lodge in Alberta.

Our present Treasurer, Rt. Em. Kt. Wm. Baxter, has fulfilled the duties of his office very efficiently since assuming it in 1927 and now has nearly thirty years of splendid service rendered to our Preceptory.

Our first Registrar (1905-1906) was Sir Kt. (later Senator Hon.) James A. MacKinnon, since dimitted, and now residing in Ottawa, Ontario.

The records surrounding our earliest days are a valuable heritage, and they speak well of the efficiency of our first Registrar.

Rt. Em. Kt. J. L. Tipp, the Preceptor in 1918-1919 and Provincial Prior in 1925-1926, was the father of Rt. Em. Kt. G. L. Tipp who held office of Preceptor in 1932 and of Provincial Prior in 1945-1946.
